

NORTH TAMPA BAR ASSOCIATION

NTBA Monthly Update
January 2021

Message from NTBA's New President, Angelica Rosello

Happy New Year! It is with great pride that I assume the role of President for the North Tampa Bar Association this year. Under Jared Krukar's dedicated leadership last year, the NTBA navigated the very tumultuous times we experienced during the pandemic, which continue to demand adjustments of us all in our "new normal." Last year was not the kind of year any of us expected or planned for, but the NTBA forged ahead and maintained its commitment to serving our membership and community, whether that was by virtual appearance technology, or outdoor events.

This year, it is my goal to elevate our association in the eyes of our community by increasing opportunities for community involvement through service projects, offering networking opportunities, and providing our membership with excellent monthly programs that offer continuing legal education credits. While it is our plan for now to host these events virtually, we are hopeful to get back to in-person events soon. We are very much looking forward to getting to know you all better and build a stronger community relationship with our membership as a result. It is important now more than ever to allow all of us to engage and network with each other outside of our typical work/life demands. I want to thank everyone who has participated in the last few months to kick off 2021 - the NTBA past and current Board members and members at large who have given their time and efforts to help make NTBA a valuable part of our careers.

If anyone has any questions or concerns, or has general feedback they wish to share, please know my (virtual) door is always open.

Welcome to our New Board Members!

In 2020, the NTBA Board sadly said goodbye to our long-time Board of Directors Daniel Bubley and Joseph Kalish. It cannot be overstated how important Dan and Joe were to our association, both in its founding and growth. We miss them and wish them the best.

A warm welcome to our new board members: Kim Santiesteban, Chris Ragano, and Andrew McDannold. We are thrilled to be working with them this year!

Thank you Judge Thomas Palermo for our January CLE Presentation!

We'd like to extend our heartfelt thanks to Judge Thomas Palermo for his presentation on Ethical & Effective Advocacy in the Age of Virtual Presence Technology.
