Thank you Craig Latimer!

Thank you to Craig Latimer, Supervisor of Elections for Hillsborough County, for speaking at our August CLE Luncheon. Craig shared with us details of how Hillsborough county prepares for an election and how his team tests voting machines for accuracy. He also examined recent voting legislation and described how and if it will affect future elections. Craig fielded multiple questions from attendees ranging from questions about voting fraud to private donations. We believe all attendees left the CLE luncheon well-informed about how elections are run in Hillsborough County!
