Message from NTBA's President, Angelica Rosello

Dear Members:

We are back in full swing, safely enjoying in person presentations and luncheons. So please join us for our next luncheon with the Hillsborough County Supervisor of Elections who will be speaking about the 2020 election and the upcoming election, which promises to be an interesting topic!

Mark your calendars for September 2nd! We will be hosting our next social on that evening at Glory Days Grill in Carrollwood. There will be drinks, appetizers, and the wonderful company of the NTBA members and their guests.

Thank you Patrick Allesandrini of the Hillsborough County Property Appraiser's Office!

Thank you to Patrick Alesandrini of the Hillsborough County Property Appraiser's Office, who shared with us at this month's CLE luncheon the inner workings of his office, the various methods by which property in the county is appraised, and the challenges faced when trying to arrive at a value for a property. It was particularly fascinating to learn about the technology Hillsborough County utilizes to detect improvements on properties and how multiple counties work together to assess property damage from natural disasters such as hurricanes. Patrick shared with us that the Hillsborough County Property

Appraiser's office is a model that property appraisers across the country look to. Patrick did a fantastic job of conveying so much information in the space of one lunch hour and we are very appreciative!

NTBA President Angelica Rosello and President-Elect Gus Centrone attend the Florida Bar's Voluntary Bar Leadership Conference

Our NTBA President and President-Elect, Angelica Rosello and Gus Centrone, attended the Florida Bar's Voluntary Bar Leadership Conference in Orlando on July 16th. NTBA endeavors to have our President and their successor attend the leadership conference each year so that the association benefits from the ideas and experiences of other voluntary bar associations. This year, NTBA was also a sponsor.
