Thank you Representative Traci Koster!

Thank you to Florida State Representative Traci Koster for speaking at our September CLE Luncheon. Traci shared with us details of the 2021 Florida legislative session. She also spoke about the bills she sponsored and those that were passed, such as a bill requiring disclosures to healthcare consumers of off-campus hospital emergency rooms that appear to consumers to be less costly urgent care centers. We also learned about desired changes to Florida family law.
