Thank you Jason Lambert!

We'd like to thank Jason Lambert for providing our April CLE Luncheon attendees with a ton of useful information regarding Construction Law. His presentation was not only useful for attorneys, but for property owners as well! We received a lot of positive feedback about Jason's presentation.

Judge Robert A. Bauman of the Thirteenth Judicial District will present "Human Trafficking 101: An Introduction."

Human Trafficking is a multibillion-dollar criminal industry that harms millions of adults and children around the world, including children who are forced to commit crimes and then appear before judges in delinquency courts. Judge Bauman will introduce lawyers to O.P.T.I.O.N. (Offering Potentially Trafficked Individuals Options Now) court after providing the legal definitions of sex and labor trafficking and presenting ways to identify victims. By the end of the webinar session, participants will be able to 1) Define Human Trafficking, both sex and labor, 2) Identify victims of Human Trafficking, and 3) Create a court like O.P.T.I.O.N.

We look forward to seeing you at the luncheon! A Zoom option to attend is available!!!
